

LONDON BULLDOG SOCIETY CHAMPIONSHIP SHOW

8/1/17

Judge – Maria Taylor (Hillplace)

I was honoured to be asked to judge this well run premier bulldog show, which has such a good reputation. I thank the exhibitors for the wonderful entry. In this breed that is so often criticised for poor health , not one bulldog showed breathing problems that they are supposed to have , The breed has come a long way in improving health and those breeders are to be congratulated . That said a few being shown with eye damage and these dogs were penalized .
